**SECRETARIAL AUDIT REPORT**  
**FOR THE FINANCIAL YEAR ENDED 31<sup>ST</sup> MARCH 2024**

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,

The Members,  
VITP Private Limited  
Capella Block, 5<sup>th</sup> Floor  
Plot No. 17, Software Unit Layout,  
Madhapur, Hyderabad – 500081

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by VITP PRIVATE LIMITED [CIN: U72200TG1997PTC026801] (hereinafter referred to as the Company).

Secretarial audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/ statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company as stated above, during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31<sup>st</sup> March, 2024 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31<sup>st</sup> March 2024 according to the provisions of:

- i. The Companies Act, 2013 (the Act) and the rules made there under  
However, there has been delay in filing E- Form DIR-12 relating to Regularization of Mr. Rohith Bhandary as a Director due to Ministry of Corporate Affairs website issue.
- ii. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under in respect to the listed debt securities.
- iii. The Depositories Act, 1996 and the Regulations and Byelaws framed there under to the extent of issue of Unsecured Redeemable Non-Convertible Debentures
- iv. Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment;

v. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):

(a) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 read with SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 [to the extent applicable for Companies which has its Debt Securities listed on the exchanges]

Pursuant to the Notification No. SEBI/LAD-NRO/GN/2015-16/013 issued by SEBI with regard to certain provisions of Chapter IV of SEBI ((Listing Obligations and Disclosure Requirements) (Fifth Amendment) Regulations) 2021 shall apply to a listed entity that has listed its non-convertible debt securities and has an outstanding value of listed non-convertible debt securities of Rupees Five Hundred Crore and above w.e.f 07.09.2021.

Since the value of company's listed non-convertible debt securities exceed the threshold limit of Rupees Five Hundred Crore during the financial year 2020 – 2021 it is required to ensure the necessary compliance.

However, the company has redeemed 2368 & 165 NCDs on 27 June 2023 after obtaining the consent of the debenture holder Ascendas Property Fund (FDI) Pte Ltd. ("Debenture Holder"), debenture trustee viz IDBI Trusteeship Services limited & members in the Extra Ordinary General Meeting held on 31<sup>st</sup> May 2023, consequent to which the debt had reduced to Rs.330 Crores.

Accordingly, the company shall comply with the provisions of Regulation 16 to Regulation 27 of Chapter IV of SEBI (Listing Obligations and Disclosure Requirements) (Fifth Amendment) Regulations) 2021 on a 'Comply or Explain' basis until March 31, 2025 and on a mandatory basis thereafter.

However, the company choose to comply with some of the provisions as of now which are listed as below:

Regulation	Text	Comply or Explain	Compliance from 1 <sup>st</sup> April 2024
17	Composition of Board of Directors	<b>Complied</b>	Yes The performance evaluation of the Directors. and committees for the financial year 2023 - 2024 was done on 28 <sup>o</sup> May, 2024
17A	Maximum number of directorships	<b>Complied</b>	Yes
18	Audit Committee	<b>Complied</b>	Yes
19	Nomination and remuneration committee	<b>Complied</b>	Yes
20	Stakeholders Relationship Committee	<b>Complied</b>	Yes
21	Risk Management	<b>Complied</b>	Yes, however

	Committee		the company did not conduct any committee meetings during the FY 2023 - 2024 which is Comply or explain basis till 31 <sup>st</sup> March, 2025
22	Vigil mechanism	<b>Complied</b>	Yes
23	Related Party Transactions	<b>Complied</b>	Yes
24	Corporate Governance requirements with respect to subsidiary of listed entity	NA	Company does not have any Subsidiary till 31 March 2024.
24A	Secretarial Audit	<b>Complied</b>	Yes
24A	Secretarial Compliance Report	<b>Complied</b>	Yes
25	Obligations with respect to independent directors	<b>Complied</b>	Yes
26	Obligations with respect to employees including senior management, key managerial persons, directors and promoters	<b>Complied</b>	Yes
27	Other Corporate Governance Requirements	<b>Complied</b>	Yes

- (b) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client with regard to its Equity Shares and Debentures.

Since the Company's Equity Shares are not listed on any Stock Exchange, the following regulations, which are applicable to companies whose Equity Shares are listed, does not apply to the Company:

- (a) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009
- (b) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
- (c) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015
- (d) The Securities and Exchange Board of India (Share Based Employee Benefit Schemes) Regulations, 2014;
- (e) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009
- (f) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998

vi. I further report that, having regard to the compliance system prevailing in the Company and on the examination of the relevant documents and records in pursuance thereof, on test -check basis the Company has complied with the following specific law to the extent applicable to the Company:

- a. Airport Authority Act, 1994
- b. Forest Conservation Act, 1980
- c. Indian Forest Act, 1947
- d. Transfer of Property Act, 1882
- e. Registration Act, 1908
- f. Building and Other Construction Workers (Regulation of Employment and Conditions of Services) Act, 1996
- g. Building and Other Construction Workers (Welfare Cess) Act, 1996

I have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India. Since only the Secretarial standards on Meetings of the Board of Directors (SS-1) and Secretarial Standards on General Meetings (SS-2) have been notified and effective from 1<sup>st</sup> July, 2015, the Company has complied with the said Standards.
- (ii) The Company has also entered into Listing Agreement with the BSE Limited for listing of its debt securities. The Company has complied with all the provisions of the listing agreement and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 relating to Debt Regulations and would comply with the other regulations.

I further report that since the company "VITP PRIVATE LIMITED" being a private limited company, there is no such requirement as per the provisions of Companies Act, 2013 to appoint independent directors / Whole time director / Managing director / Directors retiring by rotation and the board of the Company has been duly constituted with proper balance of Non-Executive Directors.

The Company has a Company Secretary (hereinafter referred to as KMP) as envisaged under the provisions of Section 203 the Companies Act, 2013.

I further report that the compliance by the company with the applicable financial laws such as direct and indirect tax laws and maintenance of financial records and books of accounts has not been reviewed in this audit since the same has been subject to review by Statutory financial auditor and other designated professionals.

Adequate notice is given to all directors to schedule the Board Meetings that were sent in accordance with the statutory requirement. Agenda and detailed notes on agenda were being sent at least seven days in advance. A system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes.

The Company has complied with the provisions of Companies Act, 2013 and the rules made there under.

I further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that, during the audit period there were no other specific events / actions in pursuance of the above referred laws, rules, regulations, guidelines, etc. having a major bearing on the Company's affairs.

- The company has adopted a new set of Articles of Association in substitution of the existing Articles of Association of the company in order to reflect the provisions of Companies Act, 2013 after obtaining the approval of members in the Extra Ordinary General Meeting held on 29<sup>th</sup> day of September, 2023.
- It was proposed to avail Extra Commercial Borrowings by the way of issue of 2,61,43,377 unsecured and redeemable offshore Rupee denominated Bonds of face value of Rs.100 aggregating to an amount of (Rupees two hundred and sixty-one crores forty-three lakhs thirty-seven thousand seven hundred only) ("RDBs") under a Deed Constituting Unsecured Redeemable Offshore Rupee Denominated Bonds RDB Deed") and a Subscription Agreement on a private placement basis.

## INDEPENDENT AUDITOR'S REPORT

### To The Members of VITP Private Limited Report on the Audit of the Financial Statements

#### Opinion

We have audited the accompanying financial statements of VITP Private Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2024, and the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year ended on that date, and notes to the financial statements, including a summary of material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

#### Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

#### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

## Information Other than the Financial Statements and Auditor's Report Thereon

- The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's report, but does not include the financial statements and our auditor's report thereon.
- Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.
- If based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

## Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including IND AS specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management and Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intend to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Company's Board of Directors are also responsible for overseeing the Company's financial reporting process.

## Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal financial controls that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all

# Deloitte Haskins & Sells

relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books, except that the back-up of books of account maintained in electronic mode were not maintained on servers physically located in India on a daily basis upto August 11, 2023 and not complying with the requirement of audit trail as stated in i (vi) below (Refer Note 41 to the financial statements).
- c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account.
- d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.
- e) On the basis of the written representations received from the directors as on March 31, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164(2) of the Act.
- f) The modification relating to the maintenance of accounts and other matters connected therewith, are as stated in paragraph (b) above.
- g) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to financial statements.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended,

In our opinion and to the best of our information and according to the explanations given to us, the Company being a private company, section 197 of the Act related to the managerial remuneration is not applicable.

- i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
  - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements - Refer note 30 (c) to the financial statements.

# Deloitte Haskins & Sells

- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
- iv. (a) The Management has represented that, to the best of its knowledge and belief, as disclosed in note 38 (v) to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.  
  
(b) The Management has represented, that, to the best of its knowledge and belief, as disclosed in note 38 (vi) to the financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.  
  
(c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. The Company has not declared or paid any dividend during the year and has not proposed final dividend for the year.
- vi. Based on our examination, which included test checks, the Company has used an accounting software, operated by a third-party software service provider, for maintaining its books of account for the year ended March 31, 2024, which has a feature of recording audit trail (edit log) facility except that in the absence of an independent service auditor's system and organization controls report covering the audit trail requirement, we are unable to comment whether audit trail feature of the said software was enabled and operated throughout the year for all relevant transactions recorded in the software or whether there were any instances of the audit trail feature being tampered with.

As proviso to Rule 3(f) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11 (g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the year ended March 31, 2024.

## **ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT**

**(Referred to in paragraph 1(g) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)**

### **Report on the Internal Financial Controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls with reference to financial statements of **VITP Private Limited** ("the Company") as at March 31, 2024 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over financial reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

#### **Meaning of Internal Financial Controls with reference to financial statements**

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2)

# Deloitte Haskins & Sells

provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

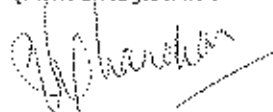

## **Inherent Limitations of Internal Financial Controls with reference to financial statements**

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## **Opinion**

In our opinion, to the best of our information and according to the explanations given to us the Company has, in all material respects, an adequate internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2024, based on the criteria for internal financial control with reference to financial statements established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that:

- (i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment, Investment Property and Investment Property under Development.
- (B) As the Company does not hold any intangible assets, reporting under clause 3(i)(a)(B) of the Order is not applicable.
- (b) The Company has program of verification of Property, Plant and Equipment, Capital work In progress, Investment Properties and Investment Property under Development so as to cover all the items once every two years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, no such assets were due for physical verification during the year. Since no physical verification of Property, Plant and Equipment, Capital work in progress, Investment Properties and Investment Property under Development was due during the year, the question of reporting on material discrepancies noted on verification does not arise.
- (c) Based on our examination of the registered sale deed/transfer deed provided to us, we report that, the title deeds of all the immovable properties, disclosed in the financial statements included in Investment property are held in the name of the Company as at the balance sheet date, except for the following:

Relevant line item in Balance sheet	Description of property	Gross Value (Rs. in millions)	Title deed held in the name of	Whether title deed holder is a promoter, director or relative of promoter/director or employee of promoter/director	Property held since which date	Reason for not being held in the name of the company

- (d) The Company has not revalued any of its Property, Plant and Equipment, Investment Property and Investment Property under Development. The Company does not have any Intangible assets or Right of Use assets.
- (e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2024 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- (ii) (a) The inventories in the nature of stores, spares and fuel were physically verified during the year by the Management at reasonable intervals. In our opinion and according to the information and explanations given to us, the coverage and procedure of such verification by the Management is appropriate having regard to the size of the Company and the nature of its operations. No discrepancies of 10% or more in the aggregate for each class of inventories were noticed on such physical verification of inventories when compared with books of account.
- (b) According to the information and explanations given to us, at any point of time of the year, the Company has not been sanctioned any working capital facility from banks or financial institutions and hence reporting under clause 3 (ii)(b) of the Order is not applicable.
- (iii) (a) The Company has provided loans and advances in the nature of loans during the year and details of which are given below:

Particulars	Loans including Non-convertible Debentures (Rs. in Millions)
A. Aggregate amount granted during the year:

B. Balance outstanding as at balance sheet date in respect of above cases:*	
- Others	1,529.28

\*The amounts reported are gross amounts, without considering provisions made, if any. (Refer note 6 to the financial statements)

The Company has not provided any guarantee or security to any other entity during the year.

- (b) The investments made and the terms and conditions of the grant of the above-mentioned loans provided during the year are, in our opinion, prima facie, not prejudicial to the Company's interest.
- (c) In respect of loans granted and advances in the nature of loans provided by the Company, the schedule of repayment of principal and payment of interest has been stipulated and the repayments of principal amounts and receipts of interest are regular as per stipulations except for the following:

- (c) The Company has not taken any term loan during the year and there are no unutilized term loans at the beginning of the year and hence, reporting under clause 3 (ix)(c) of the Order is not applicable.
- (d) The Company has not raised any funds on short-term basis and hence, reporting under clause 3 (ix)(d) of the Order is not applicable.
- (e) The Company did not have any subsidiary or associate or joint venture during the year and hence, reporting under clause 3 (ix)(e) of the Order is not applicable.
- (f) The Company has not raised loans during the year on the pledge of securities held in its subsidiaries or joint ventures or associate companies.
- (x) (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3 (x)(a) of the Order is not applicable.

# Deloitte Haskins & Sells

- (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3 (x)(b) of the Order is not applicable to the Company.
- (xi) (a) To the best of our knowledge, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- (b) To the best of our knowledge, no report under sub-section (12) of Section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- (c) As represented to us by the Management, there were no whistle blower complaints received by the Company during the year and upto the date of this report.
- (xii) The Company is not a Nidhi Company and hence reporting under clause 3 (xii) of the Order is not applicable.
- (xiii) In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements etc. as required by the applicable accounting standards.
- (xiv) (a) In our opinion, the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered, the internal audit reports issued to the Company after the balance sheet date covering the period until December 31, 2023. Based on the information and explanations provided to us, internal audit covering the balance period upto March 31, 2024 is due in the ensuing internal audit cycle.
- (xv) In our opinion, during the year, the Company has not entered into any non-cash transactions with its directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- (xvi) (a),(b), (c) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3 (xvi)(a), (b) and (c) of the Order is not applicable.
- (d) The Group ("Companies in the Group" as defined in the Core Investment Companies (Reserve Bank) Directions) does not have any CIC (Core Investment Company) as part of the group and accordingly reporting under clause 3 (xvi)(d) of the Order is not applicable.
- (xvii) The Company has not incurred cash losses in the financial year covered by our audit and in the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors of the Company during the year.
- (xix) On the basis of the financial ratios disclosed in note 39 to the financial statements, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is

# Deloitte Haskins & Sells

not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

(xx)

The Company has fully spent the required amount towards Corporate Social Responsibility (CSR) and there are no unspent CSR amounts for the year requiring a transfer to a Fund specified in Schedule VII to the Companies Act or special account in compliance with the provision of sub-section (6) of section 135 of the said Act. Accordingly, reporting under clause 3 (xx) of the Order is not applicable for the year.

VITP Private Limited

Notes to the financial statements for the year ended March 31, 2024

(All amounts in Indian Rupees millions, except share data and where otherwise stated)

1 Corporate Information

VITP Private Limited ('VITP' or 'the Company') is a private company domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. The registered office of the Company is located at Capella Block, 5th Floor, Plot No.17 Software Units Layout, Madhapur Hyderabad Rangareddi Telangana 500081 India. The Company is a wholly owned subsidiary of Ascendas Property Fund (India) Pte Ltd

The Company is principally engaged in the business of developing, operating and maintaining industrial and IT/ITES parks on SEZ and non-SEZ lands and incidental and associated activities. Information on other related party relationships of the Company is provided in note 34.

The financial statements were authorised for issuance by the Board of Directors on May 28, 2024.

2 Material accounting policy Information

Statement of Compliance

The financial statements have been prepared in all material aspects in accordance with the Indian Accounting Standards (referred to as "Ind AS") prescribed under Section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules, as amended from time to time and other relevant provisions of the Act.

The financial statements are presented in INR and all values are rounded to the nearest millions, except when otherwise indicated.

Amounts displayed as 0.00 denote amount less than Rs.5,000 i.e (less than 0.005 Millions rounded to two decimals)

2.1 Basis of preparation

These financial statements have been prepared on going concern and accrual basis. The accounting policies have been followed consistently across all the periods in the financial statements. All assets and liabilities are classified as current or non-current as per Company's operating cycle and other criteria defined in the Schedule III of the Companies Act, 2013. The operating cycle of the Company is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents. Based on the nature of business and the time between the asset acquisition and their conversion into cash and cash equivalents, the Company has ascertained its operating cycle as twelve months for the purpose of identification of current or non-current assets and liabilities.

These Ind-AS Financial Statements have been prepared on historical cost basis, except for certain financial instruments and defined benefit plans which have been measured at fair value or amortised cost at the end of each reporting period as explained in accounting policies below.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;

Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and

Level 3 inputs are unobservable inputs for the asset or liability.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Functional and Presentation currency

These financial statements are prepared in Indian Rupees (₹), the functional currency of the Company, which is the currency of the primary economic environment in which the Company operates (the 'functional currency').

All amounts presented in the financial statements which also includes accompanying notes have been rounded off to the nearest million as per the requirement of Schedule III to the Companies Act, 2013, unless otherwise stated

Cash Flow Statement

Statement of Cash flows is prepared using indirect method as set out in Ind-AS-7 ("Statement of Cash Flows").

Use of Estimates and Judgements

The preparation of the Company's financial statements in conformity with IND AS requires management to make judgements, estimates and assumptions in application of accounting policies that affect the reported amounts of assets, liabilities, income, expenses and accompanying disclosures. Estimates and assumptions are reviewed on an ongoing basis, based on historical experience and other factors including the expectation of the future factors that are believed to be reasonable. Revisions to accounting estimates are recognised in the period in which the estimates are revised, and future periods affected.

Information about critical judgements, estimates and assumptions that have significant effect to the carrying amount of assets and liabilities in the financial statements are included in the following notes below:

Judgement, Estimates, Assumptions	Accounting Policy Reference	Note Reference
Estimation of useful life of tangible, intangible assets and investment property	2.2(d)	3 and 4
Measurement of defined benefit obligations and key actuarial assumptions	2.2(m)	29
Recognition of current and deferred taxes	2.2(k)	18
Impairment of Trade receivables: Expected credit loss	2.2(e) (ii)	11
Measurement and likelihood of occurrence of contingencies	2.2(n)	30

## 2.2 Summary of Material accounting policy Information

### Impact of the initial application of the new and amended IndASs that are effective for the current year

#### Ind AS 1-Presentation of Financial Statements

"The Company has adopted the amendments to Ind AS 1 for the first time in the current year. The amendments change the requirements in Ind AS 1 with regard to disclosure of accounting policies. The amendments replace all instances of the term 'significant accounting policies' with 'material accounting policy information'. Accounting policy information is material if, when considered together with other information included in an entity's financial statements, it can reasonably be expected to influence decisions that the primary users of general purpose financial statements make on the basis of those financial statements."

The supporting paragraphs in Ind AS 1 are also amended to clarify that accounting policy information that relates to immaterial transactions, other events or conditions is immaterial and need not be disclosed. Accounting policy information may be material because of the nature of the related transactions, other events or conditions, even if the amounts are immaterial. However, not all accounting policy information relating to material transactions, other events or conditions is itself material".

#### Ind AS 8-Accounting policies, Changes in Accounting Estimates and Errors -Definition of Accounting Estimates

The Company has adopted the amendments to Ind AS 8 for the first time in the current year. The amendments replace the definition of a change in accounting estimates with a definition of accounting estimates. Under the new definition, accounting estimates are "monetary amounts in financial statements that are subject to measurement uncertainty". The definition of a change in accounting estimates was deleted.

### a) Revenue Recognition

Revenue from contracts with customers is recognized when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. Revenue is measured based on the transaction price, which is the consideration, adjusted for discounts and other credits, if any, as specified in the contract with the customer. The Company presents revenue from contracts with customers net of indirect taxes in its statement of profit and loss.

The Company considers whether there are other promises in the contract that are separate performance obligations to which a portion of the transaction price needs to be allocated. In determining the transaction price, the Company considers the effects of variable consideration, the existence of significant financing components, non-cash consideration, and consideration payable to the customer (if any).

The specific recognition criteria described below must also be met before revenue is recognized.

Lease rental income from operating leases is recognized on a straight-line basis over the term of the relevant lease. Initial direct cost incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognized on a straight-line basis over the relevant lease term.

Rental income under operating leases having revenue share arrangements is recognized as per the terms of the contract.

Operating, maintenance and utilities income is recognized on rendering of services as per the terms of the contract.

Car park income includes revenue earned from the operations of the parking facilities, which is recognized when the services are rendered.

Interest income, including income arising from other financial instruments, is recognized using the effective interest rate method.

#### Contract Balances

Contract asset is the right to consideration in exchange for goods or services transferred to the customer. If the Company performs by transferring goods or services to a customer before the customer pays consideration or before payment is due, a contract asset is recognized for the earned consideration that is conditional.

Trade receivable represents the Company's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due).

Contract liability is the obligation to transfer goods or services to a customer for which the Company has received consideration (or an amount of consideration is due) from the customer.

Contracts in which the goods or services transferred are lower than the amount billed to the customer, the difference is recognized as "Unearned revenue" and presented in the Balance Sheet under "Other current liabilities".

#### Contract cost assets

The Company pays sales commission for contracts that they obtain to sell certain units of property and capitalizes the incremental costs of obtaining a contract. These costs are amortized on a systematic basis that is consistent with the transfer of the property to the customer. Capitalized costs to obtain such contracts are presented separately as an addition to Investment Property in the Balance Sheet.

**b) Property, plant & equipment**

Property, plant & equipment are stated at their cost of acquisition/construction, net of accumulated depreciation and impairment losses, if any.

The cost comprises purchase price, borrowing costs if capitalization criteria are met, directly attributable cost of bringing the asset to its working condition for the intended use and initial estimate of decommissioning, restoring and similar liabilities. Each part of an item of property, plant and equipment with a cost that is significant in relation to the total cost of the item is depreciated separately. This applies mainly to components of plant and equipment. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in profit or loss as incurred.

Subsequent expenditures related to an item of property, plant and equipment are added to its book value only if they increase the future benefits from the existing asset beyond its previously assessed standard of performance.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the property, plant and equipment is derecognised.

Expenditure directly relating to construction activity is capitalized. Indirect expenditure incurred during construction period is capitalized to the extent to which the expenditure is indirectly related to construction or is incidental thereto. Other indirect expenditure (including borrowing costs) incurred during the construction period which is neither related to the construction activity nor is incidental thereto is charged to the statement of profit and loss.

Cost of assets not ready for use at the balance sheet date are disclosed under capital work-in-progress.

**c) Investment properties**

Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any.

The cost includes the cost of replacing parts and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of the investment property are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. All other repair and maintenance costs are recognised in profit or loss as incurred.

Investment properties are derecognised either when they have been disposed of or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognised in profit or loss in the period of derecognition.

Though the Company measures investment property using cost based measurement, the fair value of investment property is disclosed in the notes. Fair values are determined based on an annual evaluation performed by an accredited external independent valuer.

**d) Depreciation**

Depreciation is calculated on a straight-line basis using the rates arrived at, based on the useful lives estimated by the management.

The useful lives estimated by the management are given below:

Category of Asset	Estimated useful life (years)
Investment Property	
Buildings*	30
Plant and Machinery	10-15
Fit outs**	10
Leasehold Land ***	99
Property, plant and equipment	
Furniture and fixtures	10
Computer Equipment	3
Office Equipment	5

\* The Company depreciates building component of investment property over 30 years from the date of original purchase. The Company, based on technical assessment made by technical expert and management estimate, depreciates the building over estimated useful lives which are different from the useful life prescribed in Schedule II to the Companies Act, 2013. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

\*\* Depreciation on fit outs is provided over the remaining non-cancellable period or 10 years whichever is lower.

\*\*\* Depreciation on Leasehold Land is provided over the lease period.

The residual values, useful lives and methods of depreciation of property, plant and equipment and investment property are reviewed at each financial year end and adjusted prospectively, if appropriate.

**e) Impairment of assets**

**(i) Non-Financial Assets**

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or Company's of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators.

Impairment losses, are recognised in the statement of profit and loss. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

(All amounts in Indian Rupees millions, except share data and where otherwise stated)

(ii) **Financial Assets (other than at Fair value)**

The Company assesses at each date of balance sheet whether a financial asset or a Company of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The Company recognises lifetime expected losses for all contract assets and / or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

f) **Leases**

*Company is a lessor*

Leases in which the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Rental income from operating lease is recognised on a straight-line basis over the term of the relevant lease, unless the lease agreement explicitly states that increase is on account of inflation. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income.

g) **Borrowing costs**

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

h) **Foreign currency transactions**

Foreign currency transactions are recorded at the rate of exchange prevailing on the date of the transaction. At the year end, all the monetary assets and liabilities denominated in foreign currency are restated at the closing exchange rates. Exchange differences resulting from the settlement of such transactions and from the translation of such monetary assets and liabilities are recognised in the statement of profit and loss.

i) **Financial instruments**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

**Financial assets**

Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

**Financial instruments (continued..)**

For purposes of subsequent measurement, financial assets are classified as:

Debt instruments at amortised cost

Equity instruments measured at Fair Value through Other Comprehensive Income (FVOCI) provided the contractual terms of the financial asset give rise on specified dates to cash flows that are sole payment of principal otherwise such financial assets shall be measured at Fair value through profit or loss (FVTPL).

Debt instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and

b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

This category is the most relevant to the Company. After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss. This category generally applies to trade and other receivables.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily derecognised when:

► The rights to receive cash flows from the asset have expired, or

► The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

**Financial liabilities**

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, or as payables, as appropriate. All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables and loans and borrowings.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Loans and borrowings

This is the category most relevant to the Company. After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

De-recognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

j) **Fair value of financial instruments**

In determining the fair value of its financial instruments, the Company uses following hierarchy and assumptions that are based on market conditions and risks existing at each reporting date.

Fair value hierarchy:

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- ▶ Level 1 – Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- ▶ Level 2 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- ▶ Level 3 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

k) **Income taxes**

*Current income tax*

Current income tax for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities based on the taxable income for that period. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted by the balance sheet date.

*Deferred income tax*

Deferred income tax is recognised using the balance sheet approach, deferred tax is recognized on temporary differences at the balance sheet date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes, except when the deferred income tax arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred income tax assets are recognized for all deductible temporary differences, carry forward of unused tax credits and unused tax losses, to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

In the situations where the Company is entitled to a tax holiday under the Income-tax Act, 1961, no deferred tax (asset or liability) is recognized in respect of timing differences which reverse during the tax holiday period, to the extent the Company's gross total income is subject to the deduction during the tax holiday period. Deferred tax in respect of timing differences which reverse after the tax holiday period is recognized in the year in which the timing differences originate.

Deferred income tax assets and liabilities are measured at the tax rates that are expected to apply in the period when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the balance sheet date.

The carrying amount of deferred income tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilized. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

l) **Minimum Alternate Tax (MAT)**

Minimum Alternative Tax (MAT) may become payable when the taxable profit is lower than the book profit. Taxes paid under MAT are available as a set off against regular corporate tax payable in subsequent years, as per the provisions of Income Tax Act. MAT paid in a year is charged to the statement of profit and loss as current tax. The company recognize MAT credit available as an asset only to the extent that there is convincing evidence that the Company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the Company recognizes MAT credit as an asset, it is created by way of credit to the statement of profit and loss and shown as part of deferred tax asset as "MAT Credit Entitlement". The company review the "MAT credit entitlement" asset at each reporting date and writes down the asset to the extent the company does not have convincing evidence that it will pay normal tax during the specified period.

m) **Employee Benefits**

*Short term employee benefits:*

All employee benefits falling due wholly within twelve months of rendering the services are classified as short term employee benefits, which include benefits like salaries, short term compensated absences, performance incentives, etc. and are recognized as expense in the period in which the employee renders the related service.

*Defined-contribution plans:*

The Company has defined contribution plans (where Company pays pre-defined amounts and does not have any legal or informal obligation to pay additional sums) for post employment benefits (viz., provident fund), and the Company's contributions thereto are charged to the statement of profit and loss every year.

*Defined-benefit plans:*

The Company has a defined benefit plan (viz., Gratuity) for employees, the liability for which is determined on the basis of valuation carried out by an independent actuary (under projected unit credit method) at the balance sheet date.

*Other long term employee benefits:*

Accumulated leave, which is expected to be utilized within the next 12 months, is treated as short-term employee benefit. The Company measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the reporting date.

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability, are recognized immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to profit or loss in subsequent periods.

The Company treats accumulated leave expected to be carried forward beyond twelve months, as long-term employee benefit for measurement purposes. Such long-term compensated absences are provided for based on the actuarial valuation using the projected unit credit method at the year-end. The Company presents the entire leave as a current liability in the balance sheet, since it does not have an unconditional right to defer its settlement for twelve months after the reporting date. Actuarial gains/ losses are immediately taken to statement of profit and loss and are not deferred.

VITP Private Limited

Notes to the financial statements for the year ended March 31, 2024

(All amounts in Indian Rupees millions, except share data and where otherwise stated)

n) Provisions and Contingent Liabilities

A provision is recognized when an enterprise has a present obligation (legal or constructive) as result of past event and it is probable that an outflow of embodying economic benefits of resources will be required to settle a reliably assessable obligation. Provisions are determined based on best estimate required to settle each obligation at each balance sheet date. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements, unless the possibility of an outflow of resources embodying economic benefits is remote.

o) Earnings per Share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period and equity shares that will be issued upon the conversion of mandatorily convertible instruments. Earnings considered in ascertaining the Company's earnings per share is the net profit for the period after deducting preference dividends and any attributable tax thereto for the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares, that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

p) Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- ▶ Expected to be realised or intended to be sold or consumed in normal operating cycle
  - ▶ Held primarily for the purpose of trading
  - ▶ Expected to be realised within twelve months after the reporting period, or
  - ▶ Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period
- All other assets are classified as non-current.

A liability is current when:

- ▶ It is expected to be settled in normal operating cycle
- ▶ It is held primarily for the purpose of trading
- ▶ It is due to be settled within twelve months after the reporting period, or
- ▶ There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

q) Cash dividend to equity holders of the Company

The Company recognises a liability to make cash distributions to equity holders of the Company when the distribution is authorised and the distribution is no longer at the discretion of the Company. Final dividends on shares are recorded as a liability on the date of approval by the shareholders and interim dividends are recorded as a liability on the date of declaration by the Company's Board of Directors.

r) Inventories

Inventories consist of fuel which are valued at lower of weighted average cost and net realizable value which ever is lower.

s) Cash and cash equivalents

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand and short-term deposits with an original maturity of three months or less , which are subject to an insignificant risk of changes in value, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

<b>Profit arising from investment properties before indirect expenses</b>	<b>1,589.09</b>	<b>1,156.03</b>

The management has determined that the investment properties consist of two classes of assets - office and retail- based on the nature, characteristics and risks of each property.

As at December 31, 2023 and December 31, 2022 the fair values of the properties (including Investment property under construction) are Rs. 39,798 (as per valuation report dated December 31, 2023) and Rs. 35,962 (as per valuation report dated December 31, 2022) respectively. These valuations are based on valuations performed by independent external valuer, namely- Savills Property Services (India) Pvt. Ltd and CBRE South Asia Pvt. Ltd for the years ended December 31, 2023 and December 31, 2022 respectively, who specialise in valuing these types of investment properties

The fair value of investment properties is primarily based on average of fair values under discounted cashflow method ('DCM') and income capitalization method ('ICM') and classified as level 3 fair value in the fair value hierarchy due to the use of unobservable inputs. There has been no change in valuation techniques used since prior years.

## Description of valuation techniques used and key inputs to valuation on investment properties:

Investment properties	Key inputs	For the Year Ended March 31, 2024	For the Year Ended March 31, 2023
Office properties	Discount rate- for completed buildings	11.50%	11.75%
	Discount rate- for underconstruction buildings	14.75%	13.70%
	Capitalisation rate	8.50%	8.50%
Retail properties	Discount rate- for completed buildings	11.50%	11.75%
	Discount rate- for underconstruction buildings	14.75%	13.70%
	Capitalisation rate	9.00%	8.50%

In Income Capitalization Method, an overall capitalization rate is applied to a representative single period income to arrive at the value of the subject property. In Discounted Cashflow Method, a discount rate is applied to a series of cash flows for future periods to discount them to arrive at the present value of the subject property.

\* The Company has issued redeemable non-convertible debentures. Accordingly, the Companies (Share capital and Debentures) Rules, 2014 (as amended), require the Company to create Debenture Redemption Reserve ("DRR") out of profits of the Company available for payment of dividend. DRR is required to be created for an amount which is equal to 10% of the value of debentures issued. The Company has created debenture redemption reserve on a pro rata basis. During the year ended March 31, 2024, the Company had redeemed its NCD's (Refer note 15(i)) and has accordingly transferred the amount in the DRR to general reserve considering the same is a free reserve and the purpose for which the said reserve was created was achieved.

**Distribution made and proposed**

The Company has not made any distribution of dividend or proposed any dividend for the year ended March 31, 2024 and March 31, 2023.

**Debenture redemption reserve**

Debenture redemption reserve represents reserve created out of free reserves with respect to redeemable debentures.

**Capital redemption reserve**

Capital redemption reserve created out of free reserves pursuant to buy back of its own equity shares.

**28 Earnings per share (EPS)**

Basic EPS amounts are calculated by dividing the profit for the year attributable to equity holders by the weighted average number of equity shares outstanding during the year and equity shares that will be issued upon the conversion of mandatorily convertible instruments.

Diluted EPS amounts are calculated by dividing the profit attributable to equity holders by the weighted average number of equity shares outstanding during the year plus the weighted average number of Equity shares that would be issued on conversion of all the dilutive potential equity shares into equity shares.

The following reflects the income and share data used in the basic and diluted EPS computations:

Interest and penalty as applicable is proposed

#### 31 Segment information

The Company is principally engaged in the business of developing, operating and maintaining industrial and IT/ITES parks on SEZ and non-SEZ lands and incidental and associated activities. As such, the Company operates in a single business and geographic segment and hence disclosing information as per the requirements of Ind AS 108 "Operating segments" is not required. Further, no single major customer represents sales of more than 10%.

The Company is domiciled in India and all the non-current assets of the Company are located in India. The Company's revenue from operations from external customers relate to leasing in the nature of lease rental income, operations and maintenance income and other amenities income as disclosed in the Statement of Profit and loss read with note 21.

**32 Significant accounting judgements, estimates and assumptions**

The preparation of financial statements in conformity with the recognition and measurement principles of Ind AS requires management to make judgements, estimates and assumptions that affect the reported balances of revenues, expenses, assets and liabilities and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

**a) Tax litigations**

The Company is subject to periodic assessments by tax authorities on various direct and indirect tax matters arising during the normal course of business. These areas include disputes in respect of income tax, service tax and value-added tax. Judgement is required in assessing the tax issues and the potential exposures to determine whether, and how much, to provide in respect of tax disputes. At March 31, 2024, the Company has disclosed contingent liabilities arising from tax disputes as set out in note 30 to the Ind AS financial statements.

**b) Accounting for leases**

In the process of applying the accounting policies, management has made judgement relating to determination of lease classification which has the most significant effect on the amounts recognised in the financial statements.

The Company has entered into commercial property leases on its investment properties. The Company has determined, based on an evaluation of the terms and conditions of the arrangements such as the lease term not constituting a substantial portion of the economic life of the commercial property, that it retains all the significant risks and rewards of ownership of these properties and so accounts for the contracts as operating leases.

**c) Deferred tax assets**

Deferred tax asset, comprising of Minimum Alternative Tax ("MAT") credit is recognised to the extent that it is probable that the Company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward and sufficient taxable profit will be available against which the MAT credit can be utilised. Significant management judgement is required to determine the amount of MAT credit that can be recognised, based upon the likely timing and level of future taxable profits together with future tax planning strategies.

**d) Useful lives of Investment Property and Property, Plant and Equipment - Refer note 2.2(d)**

**f) Provisions and contingent liabilities**

A provision is recognised when the Company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which the reliable estimate can be made. Provisions (excluding retirement benefits and compensated absences) are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date adjusted to reflect the current best estimates. Contingent liabilities are not recognised in the financial statements. A contingent asset is neither recognised nor disclosed in the financial statements.

**33 Financial risk management objectives and policies**

The Company's principal financial liabilities comprise of borrowings, security deposits, trade and other payables. The main purpose of these financial liabilities is to finance and support the entity's operating and investing activities. The Company's principal financial assets include loans given in the form of debentures, trade and other receivables, cash and cash equivalents, and other bank balances that derive directly from its operating and investing activities.

The Company is exposed to credit risk and liquidity risk. The Company's senior management oversees the management of these risks. The Company's senior management is supported by a financial risk committee that advises on financial risks and the appropriate financial risk governance framework for the Company. The financial risk committee provides assurance to the Company's senior management that the Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the entity's policies and risk objectives. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarized below.

**i. Credit risk**

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and investing activities (short term bank deposits and loans/debentures). Credit appraisal is performed by the management before lease agreements are entered into with customers and loans given in the form of debentures. The risk in respect of customers is mitigated due to customers placing significant amount of security deposits for lease and fit-out rentals and in respect of debentures by obtaining necessary collateral security.

Credit risk from balances with banks and financial institutions is managed by the Company's treasury department in accordance with the Company's policy. Investments of surplus funds are made only with approved counterparties and within credit limits assigned to each counterparty. Counterparty credit limits are reviewed by the Company's Board of Directors on an annual basis, and may be updated throughout the year subject to approval of the Company's Finance Committee. The limits are set to minimize the concentration of risks and therefore mitigate financial loss through a counterparty's potential failure to make payments. The Company's maximum exposure to credit risk for the components of the statement of financial position at March 31, 2024 and March 31, 2023 are the carrying amounts as illustrated in note 6A, 6B, 6C, 7, 11 and 12.

At the balance sheet date, there was no significant concentration of credit risk. The maximum exposure to credit risk is represented by the carrying value of each financial asset in the balance sheet.

Notes:

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date.

Level 2 inputs are inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3 inputs are unobservable inputs for the asset or liability.

There have been no transfers between the levels during the period.

The carrying amounts of trade receivables, cash and cash equivalents, bank balances other than cash and cash equivalents, trade payables and other current financial liabilities are considered to be the same as their fair values, due to their short-term nature.

The fair values for investments, other non-current financial assets and other non-current financial liabilities, were calculated based on cash flows discounted using a current lending rate.

They are classified as level 3 fair values in the fair value hierarchy due to the inclusion of unobservable inputs including counterparty credit risk.

The fair values of non-current borrowings are based on discounted cash flows using a current borrowing rate.

They are classified as level 3 fair values in the fair value hierarchy due to the use of unobservable inputs, including own credit risk.

For fair valuation methodology of investment property, refer note 4.

**37 Capital management**

For the purpose of the Company's capital management, capital includes issued equity capital and reserves and surplus attributable to the equity holders of the Company. The primary objective of the Company's capital management is to maximise the shareholder value.

The entity manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the entity may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The entity monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The entity's policy is to keep the gearing ratio minimal. The entity includes within net debt, interest bearing loans and borrowings, trade and other payables, less cash and cash equivalents and bank balances other than cash and cash equivalents, excluding discontinued operations.

		As at March 31, 2024	As at March 31, 2023
Interest-bearing loans and borrowings		11,753.96	12,025.37
Trade payables		216.18	208.65
Other payables		4,356.03	5,910.97
Less: Cash and cash equivalents		(274.45)	(1,605.65)
<b>Net Debts</b>	<b>A</b>	<b>16,051.72</b>	<b>16,539.34</b>
<b>Equity</b>	<b>B</b>	<b>5,621.89</b>	<b>4,674.36</b>
<b>Total</b>	<b>C = A + B</b>	<b>21,673.61</b>	<b>21,213.70</b>
<b>Gearing ratio</b>	<b>A / C</b>	<b>74%</b>	<b>78%</b>

In order to achieve this overall objective, the entity's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. There have been no breaches in the financial covenants of any interest-bearing loans and borrowing in the current period.

No changes were made in the objectives, policies or processes for managing capital during the years ended March 31, 2024 and March 31, 2023.

41 a) The Companies (Accounts) Amendments Rules 2022 mandate maintenance of backup of company's books of accounts and other books and papers maintained in electronic mode on servers physically located in India on a daily basis with effect from August 11, 2022. The management evaluated several options during the financial year 2022-23 considering other important aspects such as mitigation of data and cyber security risks this had taken longer time than expected. The management has implemented the backup in India and the same has been operational from August 11, 2023.

b) The Company has used an accounting software operated by a third-party software service provider for maintaining its books of account for the year ended March 31, 2024, which has a feature of recording audit trail (edit log) facility except that an Independent Service Auditor's System and Organization Controls report covering the audit trail requirement is not available.

The Company has adequate internal financial controls over financial reporting which have been operating effectively. The Company is in the process of migrating to a new software through which the Company expects to comply with the requirements of audit trail.

42 According to sub-rule 7 of rule 18 of Companies (Share Capital and Debentures) Rules, a company to which requirement of Debenture Redemption Reserve applies, shall on or before the 30th day of April in each year, in respect of debentures issued by such a company, invest or deposit, as the case may be, a sum which shall not be less than fifteen percent, of the amount of its debentures maturing during the year ending on the 31st day of March of the next year in any one or more methods of investments or deposits.

Adhering to the above provisions, the Company has deposited an amount of Rs 300 million (i.e 15% of Rs 2000 million of NCD which is to be redeemed and repaid to Ascendas IT(park) Chennai Limited on February 13, 2025) with a scheduled bank on April 29, 2024.
