2. Distribution Policy

The distributable income of a-iTrust is substantially based on the cash flow generated from the operations undertaken by the Venture Capital Undertakings (“**VCUs**”) in India, being mainly the letting of completed properties and the provision of property-related services.

- At the VCU level, the consolidated net profit from operations is arrived at after deducting all expenses incurred from the consolidated net property income.
- At a-iTrust and Singapore special purpose vehicle (“SPV”) levels, the distributable income is derived after deducting all expenses incurred and adding any income earned at a-iTrust and Singapore SPV levels. Non-cash items (e.g. payment of Trustee-Manager’s fees in units, unrealised gains or losses on foreign exchange or on fair value of investment properties and derivatives) are also adjusted.

a-iTrust is committed to distribute at least 90% of its distributable income, with the actual level of distribution to be determined at the Trustee-Manager’s discretion. Distributions, when paid, will be in Singapore dollars.

3. Directors’ Responsibility Statement

The Board of Directors of APFT is satisfied on reasonable grounds that, immediately after making the distribution, the Trustee-Manager will be able to fulfill, from the Trust Property (as defined in the Business Trusts Act) of a-iTrust, the liabilities of a-iTrust as these liabilities fall due.

4. Documents Available for Inspection

A copy of the Directors’ responsibility statement and the distribution policy are available to Unitholders for inspection during normal business hours at APFT’s office at 1 Fusionopolis Place, #10-10, Galaxis, Singapore 138522.
